

OUR MISSION

Climb For A Cause is a non-profit foundation whose purpose is to leverage the public's fascination with the mountains and other adventure activities to help those less fortunate.*

In addition, Climb For A Cause offers businesses a vehicle to achieve their outreach goals.

Presented by:

2008 CFAC MT. MARCY SUMMIT TEAM

CFAC 2009

Our Twelfth Annual Event will take us 5,000 feet above Yosemite Valley to the roof of Half Dome, Yosemite's international icon. Once declared "perfectly inaccessible," George Anderson finally reached the summit in 1875. Today, thousands of people summit Half Dome.

Join us on this adventurous ascent up the two metal cables of the last 400 feet without technical climbing gear.

Funds raised will help maintain Dental Education and Treatment Projects in Cambodia and Guatemala.

Climb For A Cause (CFAC) encourages social responsibility, action and accountability, while celebrating the exhilaration, beauty, and health associated with challenging outdoor activity. At the same time, we offer Team Members, whether Donor, Hiker, Sponsor, or other Event Participant, a number of benefits in recognition of their support of our efforts.

Anyone with a zest for living, who also cares about the oral health, education, and safety of their fellow human beings.

WAYS TO JOIN THE CFAC TEAM

Some of the many ways to join the fun and make a difference include:

- ▲ Volunteer for one of our overseas projects
- ▲ Become an Event Sponsor
- ▲ Become a "Virtual Climber" (visit www.ClimbForACause.org/VirtualClimber.html)
- ▲ Donate Funds, Equipment, or Supplies
- ▲ CLIMB FOR A CAUSE!
